MAYOR OF KUALA LUMPUR

## Welcome Remarks by Y.Bhg Datuk Seri Haji Ahmad Phesal bin Haji Talib Mayor of Kuala Lumpur

Assalamualaikum Warahmatullahi Wabarakatuh

It gives me great pleasure to welcome all the courageous runners at this Standard Chartered KL Marathon 2014. It was indeed an eye-opening experience last year being involved in my first Standard Chartered KL Marathon as the Mayor of Kuala Lumpur, and I'm proud that Kuala Lumpur will once again host the sixth installation of Malaysia's iconic running event this year.

I also wish to take this opportunity to congratulate Dirigo Events Sdn. Bhd., event owner and organiser of the Standard Chartered KL Marathon as well as title sponsor Standard Chartered Bank for their recent achievement. The Marathon has won the Platinum Award under the Events category at the Kuala Lumpur Mayor's Tourism Awards 2014. This is an incredible feat that would not be possible without the synergy and camaraderie of the teams behind the Marathon. Dewan Bandaraya Kuala Lumpur (DBKL) is honoured to play a role in growing this event, along the organisers and all parties involved.

Kuala Lumpur is increasingly becoming home to many sporting events and the Standard Chartered KL Marathon is indeed one of the

major events we look forward to on our annual calendar. It is always encouraging to see the City filled with energy and excitement on Race Day, and I'm positive that this year we will witness a livelier atmosphere as we welcome more marathon enthusiasts from around the world.

With the overwhelming support from our local and foreign runners, this Marathon has indeed firmly placed Malaysia as an international venue for sports tourism. We are proud to showcase the beauty of Kuala Lumpur through the Marathon's route so that runners can get to know the City better during the race.

DBKL is truly honoured to be a part of an event that not only nurtures healthy living among Malaysians but brings the nation and our international friends together in the name of Standard Chartered KL Marathon. I take this opportunity to wish all runners and visitors a good race, and an excellent experience of Kuala Lumpur during the Marathon. Good luck to all of you and thank you for keeping the City running with excitement!

## **Welcome Remarks by Osman Morad Managing Director & Chief Executive Officer Standard Chartered Bank Malaysia**

Welcome to the Standard Chartered KL Marathon 2014.

From its humble beginnings in 2009, the marathon is now entering its sixth year and is at the forefront of Malaysia's large-scale sporting calendar.

I would like to extend my heartfelt thanks to all, for it is the combined strength of our partners, sponsors, officials and community that the marathon has become the success it is today. I am proud to say the Standard Chartered KL Marathon recently won the Platinum Award at the KL mayor's Tourism Award 2014.

As title sponsor, it is satisfying to see how the event has grown over the years. Since 2009, we have seen a 170.76% per cent increase

in runners, reaching 35,200 this year. The marathon continues to provide a strong tourism platform, facilitating the visit of 2,535 people from 83 countries. In addition, it is also a great opportunity for the support of charitable causes with over RM 2.4 million in donations raised in the last five years.

Once again, the Standard Chartered KL Marathon begins at Dataran Merdeka, an inspiring location of historical significance for all Malaysians. The start line, in fact, is opposite the building that was in days gone by one of our original branches, but is now home to a museum. On behalf of all of us at Standard Chartered, good luck to all runners and see you at the start line!

MALAYSIA ATHLETICS FEDERATION

## Welcome Remarks by Y.Bhg Dato' Zainal Abidin Bin Haji Ahmad, President of Malaysia Athletics Federation

Assalamualaikum Warahmatullahi Wabarakatuh

On behalf of the Malaysia Athletics Federation (MAF), I wish to welcome all participants of the Standard Chartered KL Marathon 2014. It is truly a pleasure to see a bigger crowd of running enthusiasts - this is a true representation of sportsmanship.

MAF aims to regulate, encourage, promote and develop athletes at all levels in Malaysia. Through our efforts and partnerships with various organisations, including the organisers of this iconic race, Dirigo Events Sdn. Bhd., MAF's mission is to increase the number of trained athletes and to ensure the grooming of mental and physical skills of potentials. We truly believe that sporting events are an important contributor to the nation's building process as it brings people together for a common healthy purpose. As the saying goes, a healthy nation is a productive and rich nation.

The Standard Chartered KL Marathon is one such event. The uniqueness of the Marathon

is not only drawing crowds from all walks of life throughout the world but it also represents the mind set and sheer motivation to persevere and achieve. Year after year, the scene gets more inspiring, with a growing number of supporters, not to mention the charity initiatives that comes with it.

It is certainly inspiring to witness the synergies of all parties involved -- from the authorities, to volunteers, sponsors and medical professionals. It is truly amazing just to be involved in this event. MAF would like to also congratulate the organisers of the Standard Chartered KL Marathon, Dirigo Events Sdn. Bhd. for the brilliant job of taking this major event to another level each year it is organised.

Let me end by saying that we, at MAF, have no doubt this event will be even bigger and better next year. Congratulations and thank you.

**Welcome Remarks by Rainer Biemans  
Director of Dirigo Events,  
Event owner and organiser of Standard Chartered KL Marathon**

Every year, runners look forward to the many marathons taking place in Malaysia, as well as around the world. Preparations begin early and consistently, driving running enthusiasts to surge forward and challenge themselves to achieve their goals.

Despite the increasing trend and multiple marathons that are organised each year, I am proud and thankful for the support we have received through the years for the Standard Chartered KL Marathon. This year, the Marathon reaches its sixth instalment and the organisers have certainly refrained from resting on our laurels, despite our growing success.

Every year, our drive is to progress, bringing runners new experiences to look forward to. This continuous drive has led us to achieve many successes, including now having more than 35,000 participants for Standard Chartered KL Marathon 2014. Our tagline this year is Committed. Confident. Courageous., and it clearly reflects our intention to encourage

the individual and collective commitment to a healthy lifestyle, enhance confidence through the Marathon, and most importantly celebrate the courage of marathon runners.

I also wish to bring to your attention that the Standard Chartered KL Marathon 2013 has earned the Platinum Award for Events under the Kuala Lumpur Mayor's Tourism Awards 2014. This recognition stands as a strong testament to what this major running event is built on – bringing people from around the world together for a common goal.

On behalf of Dirigo Events, I would like to record my thanks to all organisations that are involved for their unwavering support in making the Standard Chartered KL Marathon a great success year after year. May I also wish all runners the best during Race Day, have a wonderful time and most importantly, have an enjoyable race!

Thank You.

## RUN FOR A REASON

Keeping up with tradition, the Standard Chartered KL Marathon is proud to once again feature the 'Run For a Reason' programme where individuals can raise funds for charity and the 'Corporate Challenge' where business entities can raise funds while fostering teamwork by sending their own team of runners to the marathon.

We are proud to welcome back the National Autism Society of Malaysia, Hospis Malaysia and of course, the Standard Chartered Foundation. We are also pleased to welcome the Malaysian Nature Society as we help to save our environment.

The money that is raised is channelled to the respective charities in its entirety and we are proud to truly be, 'a Race with a Heart'.

On behalf of all our charity partners, thank you from the bottom of our hearts.

## TIMING DEVICE

At the Standard Chartered KL Marathon 2014, the MYLAPS BibTag system will be used to time your race.

The BibTag is a single tag attached to the back of your bib number.

At every timing point, (start, splits and finish) detection mats will be on the ground to measure your time.

The BibTag makes timing very easy for you. All you have to do is correctly wear your bib number (visible on your chest).

The BibTag timing device is disposable and does not need to be returned after your race.

### **Tips for a guaranteed correct timing:**

- Wear the bib number visibly on the chest of your running vest. Do not cover the bib number with your jacket or with your hands while crossing the mats at the start, split or finish line. These mats receive the signal from your BibTag by direct line of sight, so nothing should be placed in between your bib number and the mat
- Do not fold or crumple your bib number, especially not the BibTag
- Use four pins on the corners of the bib number, do not pierce the BibTag
- Do not remove the foam spacer. The foam is needed to give you an accurate time

The BibTags do not have to be returned after the race, you can keep the bib number with BibTag as a souvenir or it can be thrown away with the regular waste.

### **About MYLAPS**

# RACE DAY PREPARATION

## PRE-RACE TIPS

- Eat well throughout the entire day before Race Day. Low fibre and compact sugar foods like carbohydrates are recommended
- You may even like to use liquid meal supplements that are low in residue, leaving you with an empty stomach to race light
- Keep yourself hydrated by drinking lots of water
- Do not attempt to change your sleep pattern. You will be excited, so rest early and relax your body

## RACE DAY TIPS

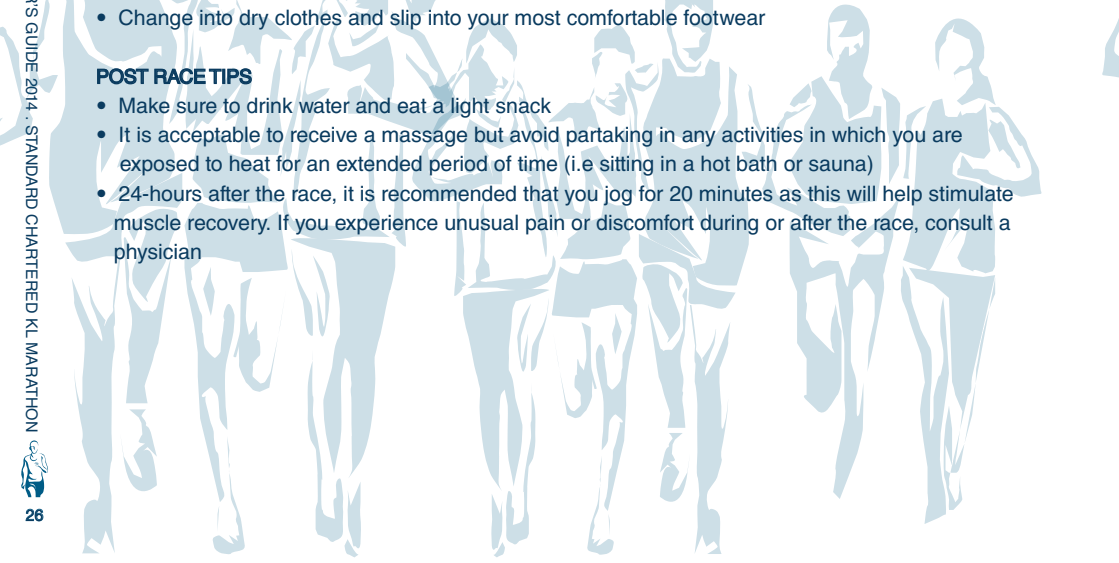

- Get there early and do a head-to-toe warm up before the race
- Start at a pace you can keep. It's better to hold back and finish stronger than struggle in the later stages
- If you feel any discomfort 10 – 20 minutes into the race, walk for a few minutes and take deep breaths until you feel ready to continue running
- For those running the Full or Half Marathon, it is advisable that you drink water and isotonic drink at the 20km marker to replenish your blood sugar and electrolytes
- Don't be afraid to stop, walk or drink. Many finish by doing all three. If you have to walk, keep to the left and do not obstruct other runners
- If overtaking, please call out politely, "overtaking on your right"
- If you feel unwell at any stage, go to the medical aid stations or approach the Course Officials. Remember, SAFETY FIRST! No one knows how you feel better than yourself

## FINISHING THE RACE

- Savour the moment and cross the line with a winning smile
- Finish in your specific lane
- Don't crowd at the finish line as it obstructs other runners about to finish
- Have a good stretch and cool-down
- Queue in an orderly manner to collect your well-deserved finisher's medal
- Change into dry clothes and slip into your most comfortable footwear

## POST RACE TIPS

- Make sure to drink water and eat a light snack
- It is acceptable to receive a massage but avoid partaking in any activities in which you are exposed to heat for an extended period of time (i.e sitting in a hot bath or sauna)
- 24-hours after the race, it is recommended that you jog for 20 minutes as this will help stimulate muscle recovery. If you experience unusual pain or discomfort during or after the race, consult a physician

## HEALTH AND SAFETY ADVICE

The Organising Committee of the Standard Chartered KL Marathon 2014 has its primary focus on the health, safety and well-being of its runners. It is important to remember that the medical provisions are retrospective. i.e, they only respond when a runner is in trouble. Prevention is better than cure and the prevention of problems lie solely in your hands.

We strongly recommend all runners to get a medical check-up before running. This is to ensure that you are in good shape to run. The following is a list of questions you should ask yourselves;

1. Has your doctor ever warned you that you have “heart issues” or that you should only be physically active or do sports under medical supervision?
2. Are you overweight or underweight?
3. During blood pressure monitoring, have you ever recorded high blood pressure?
4. Have you ever been diagnosed with high cholesterol?
5. Do you smoke or have you smoked extensively in the past?
6. Has anyone in your direct family ever suffered from high blood pressure, calcification of the coronary blood vessels/heart attack, blood sugar disease or stroke?
7. Do you have diabetes?
8. In the past few months, have you had the sensation of a ‘racing heart’, problems breathing or chest pains, whether while at rest or during physical activity?
9. Are you taking any medication for high blood pressure, heart or breathing conditions?
10. Do you ever feel dizzy or pass out, whether at rest or during physical activity?
11. Do you have any problems with your musculoskeletal system, which worsen during physical activity?
12. Are you physically and mentally prepared for the run that you are about to embark on?

Remember, any of these symptoms could be indicative of a more serious underlying medical problem. The most important thing you can do is, **Listen To Your Body**. If you develop unusual symptoms either before or during your run such as chest pains, dizziness, nausea, unusual shortness of breath, change in your running style, confusion and disorientation, stop running and seek medical attention.

### On the Route

Medical Aid stations are located every 2 km after the first 4 kilometers for the Full Marathon and Honda Half Marathon routes. For the 10km route, Medical Aid stations are located every 2km after the first 3 kilometers. On the 5km route, a Medical Aid station is located at the 3km point. A Medical Centre is also available at the finish area. Emergency Response Vehicles will be located along the routes. For medical attention, please report to an aid station or ask a race marshal for assistance.

Do take every advantage of the refreshment stations located along the routes and replenish your electrolytes and avoid dehydration.

## Race Safety and Etiquette

As we strive to provide a safe and enjoyable experience for everybody, please be mindful of some common race etiquette;

1. The use of iPods and mp3 players is discouraged in the interest of safety of all participants.
2. Always follow the instructions of the race officials and medical officers.
3. Run in the starting block that you have selected.
4. Do not stop or change directions suddenly.
5. If you need to slow down or walk, keep to the left of the road and allow runners to pass you on the right.
6. While every precaution has been taken to maintain running routes free of vehicular traffic, it is advisable to always be alert of your surroundings, watch out for errant motorists and alert each other if you notice any imminent danger.
7. If you are overtaking a slower runner, call out politely, "overtaking on your right"

### REMEMBER

- DRINK enough water.
- EAT if necessary.
- DO NOT RUN if you are not fit enough or properly prepared.
- DO NOT RUN if you have been sick or on antibiotics in the 3 weeks prior to the race.
- DO NOT MEDICATE during the race.
- DO NOT BE AFRAID to slow down, walk or even stop.
- BE AWARE of your surroundings
