Day 4 : CABLE CAR & ORIENTAL VILLAGE	(B / - / -)
<p>This tour will first bring you to enjoy the exhilarating 920m long cable car ride to the summit of the famous Mount Mat Cincang. Visitors can enjoy marvelous views of the Andaman Sea and the smaller islands of Langkawi. On clear days, one can also see the edge of Thailand in the North and Indonesia towards the South-West.</p> <p>From the top station of the Mount Mat Cincang, step on the Skybridge, ranked the world longest free span and curved bridge that suspended from a 82m high single pylon, hangs at about 100m above ground and it can accommodate up to 250 people at the same time. It swings out over the landscape to give visitors a unique spatial experience, and to bring them into otherwise unattainable locations, above virgin jungle with spectacular views. Notably, in contrast to a straight bridge, where the end is always monotonously in sight, a curved bridge offers spectacularly changing perspective that reinvent themselves, as one proceeds along it.</p> <p>The Oriental Village is one of the unique shopping, cultural and culinary destinations. Bold displays of culture and fashion and fascinating handicraft demonstrations by skilled craftsmen add to the visitor's enjoyment here. With over 470 brands and 17,000 products, the village offers shopping buffs a bewildering range of international designer labels and local products. Take some time to shop at various outlets and enjoy your choice of cuisine for lunch (at your own expenses) before returning to your hotel.</p> <p>Notes:</p> <ol style="list-style-type: none"> 1. The tour price excludes entrance fees. Mentioned entrance fees rate are subject to change. 2. SkyCab (basic) – RM55(Adult), RM40(child 3-12 years) (Include entrance to SkyDome, SkyRex & 3D Art Museum) 3. SkyBridge – RM 5 (Adult), RM 3 (child 3-12 years) 4.
