Discover the historic centre of Malacca, an UNESCO world heritage site. This historic colonial town is a living testimony to the multi-cultural heritage of traditional Asian and European colonial influences. Here many battles were fought to gain control of this strategic base that facilitated the monopoly and control of the lucrative East Indies' spice trade. When the early European settlers departed, they left behind a treasure trove of historical buildings and landmarks synonymous with Malacca today.

Your tour will drive pass Bukit China or Chinese Hill - the largest Chinese cemetery outside of China. Stop at the foothill to view the Sultan's Well before driving through the Portuguese Settlement. Visit the famous gateway, 'Porta De Santiago' and the ruins of St. Paul's Church lined with 17th century Dutch tombstones.

Discover 'Red Square' - the salmon pink Dutch administrative buildings which today house the Malacca Museum and government offices. Visit Christ Church before proceeding for lunch. After lunch, visit the 'Abode Merciful Clouds' or the Cheng Hoon Teng Temple – the only temple where you can find the doctrines of the 3 major local Chinese beliefs of Taoism, Buddhism and Confucianism. Lastly, take a stroll along the famous Jonker Street, which houses rows of antique local shops.
